

How To Make A Snowman Malone 22A

1. Color the background pink number ff0099

2. Click on the shapes and get the circle and make the bottom circle about 3 and a half inches tall and 3 and one half in. vertical. Make all of them white.

3. Do the same thing for the middle ball and make it about 2 and a half in. long and about 2 and one fourth inches vertical. Stack them on top of each other.

4. For the third ball on top make it about 2 inches long and about 2 and a half inches vertical.

5. Next you will make yellow boots make the bottom of them on the edge of the bottom of the bottom ball and make them come up about 1 inch and about 1 and a half centimeters apart. Have the toes pointing out, make them come out about 1 centimeter and but lime green dots on them the size of the end of your pencil.

6. Then put brown arms on the second ball and make the one on the right about 1 and a half inches up from the bottom of the second ball then have it point up and make two fingers on it, then the one on the left come up about 1 and a half inches up from the bottom of the ball and have that one point down and have two fingers and each of them come out about 2 inches.

7. Then make a lime green scarf, make the top of it on the middle of the top of the middle ball make the top of the scarf about 1 inch long and have two lines coming down and make them about 1 and a half inches long put hot pink strips on it and make lime green strings coming off the bottom.

8. Then make 4 black dots about the size on an eraser on the top of a pencil in the middle on the second ball.

9. Next make 7 black dots for the mouth at the bottom of the top ball.

10. Then make two black dots for the eyes at the top of the top ball.

11. Next make a nose use the shape that looks like a skinny triangle and make it orange.

12. Make a top hat that has a blue brim that is right in the middle on the top ball and make it about one and a half inches long and a yellow top on top of the brim and make it the same with but make it about 2 centimeters tall.

13. Make yellow hair that is about 2 inches long and have 6 pieces on each side and place it at the bottom of the hat.

14. Then make a sun but make it a half one, it is yellow it goes up in the top right corner it has 14 rays.
